UNCLE LOUI'S CAFÉ

VOTED BEST BREAKFAST • CITYSEARCH.COM

It all began on November 2nd, 1993.

Uncle Loui's opened with the goal of making the best breakfasts in town. Everything had to be fresh, homemade to order, and plenty of it – just like mom used to serve.

It started with just a few customers. Then word got out about our great breakfasts, pancakes, special battered french toast, homemade cinnamon syrup, and omelets so large they barely fit on your plate.

We love being a part of this community. Over the years we've watched our customers' kids grow up and start families of their own. We'll watch them grow up too. We're all a big family and we like it that way.

April 19th, 2007:

The fire was devastating.

Everywhere we went, customers would hug us and ask us when we were going to reopen. We missed Uncle Loui's too. We love what we do, and we love our customers, so the building and reconstruction began. We were determined to bring Uncle Loui's back.

Now we're back!

November 2nd, 2007.

We are so happy to be here to feed you the best breakfasts and comfort food in the Twin Ports. We may be an “emerald in the rough,” but we're proud of our food and our service, and we're proud to be your café!
